The course will be set up to play BACKWARDS. We will play each hole in reverse. For example, we will tee off next to #9 green and play 9 fairway backwards to #8 green, slight dogleg left on the 3rd shot. Several of the hilly holes will play as doglegs, and for everyone's safety the corners must NOT be cut. Orange cones will designate when it is safe to cross fairways, and balls that cross early will be OB. A rangefinder or golf watch will come in handy and is recommended, but we will have some type of fairway 150 markers,

New this Year: After The Scramble, the course will remain set-up for Backwards Golf the entire weekend, Players are encouraged to have fun and play more throughout the weekend to try to get their best score! Winners in each Division (Ladies, Seniors, etc.) will be recognized

Grounds News

Due to some equipment malfunctions and the inability to obtain parts in a timely manner, aerating the greens has had to be postponed twice. I am hoping to get this finished as soon as possible. Volunteers will be needed for sanding with very little notice. Please consider helping and watch for announcements. Thanks in Advance.
