CHANGES – THEY ARE A HAPPENIN'!!!!

With the arrival of Chef Scotty Wagner two weeks ago, exciting changes are already underway. He was extremely busy in his first week on the job, serving members new menu items every day! Member reviews have been excellent! If you haven't had the chance to stop by yet, make a reservation and come out to meet Scotty and sample his culinary delights.

Scotty is continuing to build his new menu and expects it to be in place by this week. He will also be doing a variety of specials to accompany the menu. Scotty is planning to have the weekly specials communicated early Tuesday's to help you plan your week.

Scotty's focus is not just on the food as he expects quality service for the members. He will continue to work on the service level to ensure that also meets his high quality of food.

Scotty welcomes and encourages member feedback. Contact him at: Scotty@stoughtoncountryclub.com anytime.

thank you!

SPECIAL THANKS TO THESE MEMBERS:

We aren't always aware all the great things people do, so please let the club know if there are recognitions that need to be made in future communications.

Board of Directors UPDATE

BOARD OF DIRECTOR - CHANGES

NEW BOARD MEMBER

Please welcome our new board member, Beth Murphy. She and her husband, Kevin, have been members for five years. The Murphy's have two sons and a daughter. Beth's hobbies include golf, boating, kayaking, pickleball, and paddle boarding. You may remember earlier this year that Beth got her first hole in one!

Beth was a two-time elected official to the Board of Education in Arlington Heights, IL. During her two terms she was President of the board for two years and secretary for two years. She has also volunteered on several marketing organizations as well as currently on the Kappa, Kappa Gamma sorority House Board in Madison. Beth worked in the marketing and advertising fields for more than 30 years, working in both major advertising agencies and corporations, including Allstate, Citibank and others. She's also been a small business owner and marketing consultant for over 10 years. Beth has a B.S. in Education from UW-Madison and an M.B.A from DePaul University.

OFFICER CHANGE

We are appreciative to Dean Retzleff for his years of service to the club in the capacity of board member and Treasurer. His hard work and dedication has not gone unnoticed! John Quam has been appointed interim treasurer for the remainder of the year. Thanks to both of them for their service!

Again, this year we are selling tickets for a free SCC membership. Funds raised from this effort will be used toward club improvements.

The Board will work to determine specifically where this year's funds should be distributed. This will be shared with members at a later date.

Tickets are \$100 each and entitles the bearer to a free round of golf. The drawing will be held on New Year's Eve. All members and non-members are encouraged to purchase tickets.

They can be purchased from Board members or at the club (bar, office).

SCC is committed to guidelines set forth by the Public Health of Madison and Dane County. Doing so means that we will continue to enforce the wearing of masks in indoor spaces. While seated for dining or drinks you may remove your masks but moving around the clubhouse in any other nature requires the use of a mask. Staff will adjust their service to provide more attention to taking/refilling drink orders to minimize members/guests needing to move around the clubhouse. Disposable masks and hand sanitizer are available upon entering the clubhouse. Social distancing reminders are placed throughout the clubhouse as well as dining tables have been adjusted to maintain 6' distancing.

Club Championship Weekend was perfect in so many ways with great weather, excellent course conditions, along with some fun pin placements! Ashli and Matt both defended their 2019 titles. Ashli shot 73-78; Matt shot 71-75-78. Congratulations to everyone who participated! We look forward to another amazing event in 2021!

SATURDAY, SEPTEMBER 5

The horses might be running a little later this year, but we can still place a few bets and have some fun!

Join your friends on Saturday @ 3 p.m. for some socially distanced fun

- Pull out your derby attire, and ladies – don't forget your fancy hat!
- Fill your pockets with some betting money for games
- Enjoy Chef Scotty's themed menu
- Sip a few themed drinks at the bar

SUNDAY, SEPTEMBER 20

Save the date for a Member Mixer Golf Event. Details coming soon!

WEDNESDAY, SEPTEMBER 23

Ladies: you and a partner (paired with you by Brad) will play against the opposing team for points. The competition will be a 6-hole, scramble, a 6-hole alternate shot and a 6-hole better ball format. The competition is handicapped so you must have an established one. The event is open to members only and due to COVID-19 regulations we will be limiting participation to the first 48 players to sign up.

A limited lunch menu will be offered starting at 11, and the event will begin with a shotgun start at 12:30. Dinner will be served following golf. The cost for the event and dinner will be \$30. Lunch is not included in the cost. Additionally, there will be prizes and side events to participate in.

In order to put teams together, **sign up for this event will close on Friday, September 18.** Brad will put the teams together and we will get info out to you so you know who you are playing with and which team you will be on. You will not be able to choose whom you wish to play with. More info will follow as we get closer to the event. This was a fun event last year and we plan on it being a great success again this year.

Beth Murphy – Red Team Captain

Terri McNamara – Blue Team Captain

WE NEED **YOUR** FEEDBACK

It's been a while since we've conducted a member survey, and with all the great things happening at the club, we want to ensure our members' feedback is taken into consideration as we continue to make Stoughton Country Club THE choice of local memberships.

We will be distributing Member Surveys during the month of September. You will receive it via email if we have your most updated email on file. If you would prefer to have one delivered via mail, please contact the office. Each member and spouse is encouraged to fill out their own survey.

Got Plants? We've Got a Request

As you may be cleaning out your perennial beds this fall and disposing of plants, please contact Steve. There are several spots on the SCC property that could use some filler!

Improving the SCC communications is at the forefront of our focus for the next few months. You deserve information that is timely and accurate, so you are able to plan ahead and take full advantage of the club's benefits.

A committee has been formed to react to several recommendations that will benefit you in the ways of additional communication methods, message delivery and content, and updated/new social media sources. We have already created this new newsletter format and will be delivering it to your email on the first of each month.

New Facebook Site!

A Stoughton Country Club Member-only group has been created on Facebook. Search "Stoughton County Club Members" and request to be added. This private group site will communicate events, updates, photos and other content relevant to members only. Feel free to upload your own photos of happenings at the club and other news that might be of interest to the SCC membership. We will still maintain the public Facebook site where we will communicate information relevant to the general public. *Note: The private group page is still under construction.*
