Reported Emergency - Community Water Leak

Emergency Leak Reported Call List:

- | | |
|--------------------------------------|------------------------------|
| 1. Jason Hannum (Superintendent) | (425) 530-6492 (cell) |
| | (360) 387-7111 (home) |
| 2. Scott Gunerius (Mechanic) | (360) 387-2310 (home) |
| 3. Fernando Pedroza (King Water Co.) | (360) 544-2830 |
| 4. Joseph Day (Board President) | (206) 330-8699 |

Take with when investigating:

- Community Water Map to locate valves and isolate possible leak.
- Shutoff Valve Keys, located in main pump house.
- If the leak is on the owner's side of the valve, inform the owner it's their responsibility.
- If shutting off mainlines, try to inform the owners effected that their water has been shut off.
