Golf Etiquette

Unlike many sports, golf is played, for the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other players and to abide by the Rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be. Say no to slow play. Keep pace. (While we're young)! There are some hints on how to avoid slow play posted on our bulletin board.

Help the course: Fill fairway divots with sand, repair ball marks on greens and rake the sand traps. As players Club Members, please do your part, empty your sand container by filling in 3 extra divots around your shots and repair extra ball marks on greens.

E-Mail List

Email will be primary way to send out updates; therefore providing email is required upon application submission.
