

NOVEMBER 2021 NEWSLETTER

DANVILLE COUNTRY CLUB

FROM THE GENERAL MANAGER,

October was a very nice month for Danville Country Club, with several great events being held here. I believe we can definitely see an upward trend in groups and businesses scheduling parties, lunches, dinners etc. here at the Club.

A couple of the large events that were held in October were the first annual OSF Golf Fundraiser, which raised over \$60,000 for the cancer center, and the Puttin' a Little 'Country' in Country Club event which was a phenomenal party. I believe all 140+ people who attended enjoyed the Feudin' Hillbillies band. What an amazing night! Thank you as well to all other organizations who scheduled events in October.

November and December are starting to get filled with reservations for Christmas parties, so if you or someone you know is interested in having a holiday party, please contact DCC about hosting your event.

R. Brock Burton – General Manager

FROM THE KITCHEN,

Wow, it's November already! The holidays are right around the corner and the kitchen staff and I are excited to share some new menu items, along with some great holiday specials. The Puttin' a Little 'Country' in Country Club event seemed to be a big hit! Thank you to all who attended! If there are any special occasions or requests during these holidays, please let me know and we will do what we can to accommodate you. As always, it's my pleaser to serve as your chef.

Chef Robert Eaton

FROM THE GOLF COURSE,

We hope you enjoyed this year's golf season. Shortly after November 1, we will remove tee markers, bunker rakes, and ball washers from the golf course. Golfers are welcomed to continue playing.

Our goal now is to keep up with leaf removal. If/when we get a frozen layer in the soil, we will close the golf course.

Thank you,
Paul Sermersheim, Supt.
